*Traditional Beauty With Modern Protection®  
Professional Grade Wood Finishes*

**WOOD RESTORATION**

Restore old wood with Superdeck Wood Cleaner, Wood Brightener and Wood Stripper. Each product is designed for a specific need and will bring life and beauty back to wood.

**EXTERIOR WOOD STAINS, SEALERS AND SPECIALTY FINISHES**

**SUPERDECK EXTERIOR DECK & SIDING STAINS** - These stains are one coat, high solids, oil based, penetrating stains for exterior horizontal and vertical surfaces such as decks, fences, siding, shakes, outdoor furniture, swings, play sets and much more.

**TRANSPARENT** - Gives a translucent finish that highlights wood grain pattern. In a variety of colors that seal and protect wood with the most transparent look for maximum clarity.

**SEMI-TRANSPARENT** - Provides a mid-hide finish that is excellent for extra coverage and is an especially good choice for older woods. Contains carnauba for durability, mar and scuff resistance. Three ready to use base colors that tint to a large variety of color choices.

**PRESSURE TREATED** - Formulated to convert the color of treated wood to a natural wood tone. In a variety of colors that seal and protect ACQ, CCA and other treated lumber.

**SELF PRIMING SOLID COLOR DECK AND SIDING STAIN** - A self priming formula that is a heavy duty premium acrylic latex for all exterior wood surfaces such as decks, fences, siding and trim. No priming is required. Provides maximum protection with an opaque finish. Available in three bases that tint to a wide variety of colors, plus Brilliant White.

**LOG HOME OIL FINISH™** - Specially formulated for the demanding needs of log home protection for both interior and exterior use. Superior durability and UV protection for extreme climates. Available in 3 ready to use natural wood tone bases that tint to add additional shades for your project.

**FRONTIER FINISH SEALERS** - The durable and flexible formula protects and seals logs, wood siding and other vertical wood surfaces. May be used over bare wood or as a top coat to oil based stains. Will not yellow or crack. Choose High Gloss for a wet look or Satin for an eggshell sheen. Available in Natural for maximum clarity and Cedar tone for added UV protection.

**SUPER HIDE SIDING STAIN** - This professional grade stain offers solid coverage for siding and trim with maximum hide for new and old surfaces. May be applied in low temperatures and its 100% acrylic formula resists fading, cracking, peeling and blistering. With superior color retention and a wide variety of rich color choices your home will stand out in a crowd.

**EXOTIC HARDWOOD STAIN & SEALER** - This unique one coat system has been specially formulated to give a durable and protective coating to shield hardwood decks, railings and outdoor furniture from weathering, UV rays, fading and water damage. Finely ground transparent oxide pigments provide rich, long lasting color that keeps wood from fading.
